How did you hear about us? _____

I assume full responsibility for all charges incurred by my pet during its stay at SCPR. I also understand that these charges will be paid at the time of my pet's checkout.

SCPR will not be liable for illness, injury or death of a guest during its stay provided that normal care is given. If a veterinarian is needed, SCPR will treat as deemed by the veterinarian in attendance. All veterinarian charges are due at checkout.

Please be aware that playtime does include other guests. While we do our best to make sure all guests enjoy their playtime, sometimes minor injuries cannot be avoided. If you have concerns about your pet interacting with other guests, please let us know. A daily surcharge will be added for pets that need to be kept separate from others.

While personal items are welcome, SCPR cannot be responsible for lost or damaged toys or beds.

I have read the posted abandonment law. (Initial) _____

(Penal code 597s (a) Every person who willfully abandons any animal is guilty of a misdemeanor.)
